- 100th Day of School

Friday (3):

- PK visits Kindergarten

Saturday (4):

Sunday (5):

- Bible Study & Sunday School @ 8:45AM
- Church @ 10:00 AM

### A look at our Week:

This week we will finish Ettabetta and on Thursday we will meet Hot Rod, our last Superkid. Hot Rod's LOVES racing!

In Math, we will continue to work with the cube and dimes. These are new skills that we will continue to reinforce throughout this math unit.

In our Jesus time, we will hear about Zacchaeus. We will learn that Jesus came for people who need His forgiveness and gracious mercy. Also, we will talk about how we should share His love with other people.

This is a busy week. We will discuss Groundhog's Day and the 100th day of school. We also have the preschool coming to visit Kindergarten on Friday. We will also have a special activity this day with the story and song, "I Know an Old Women That Swallowed a Fly."

In the afternoons, we will continue to work on and finish our unit with maps.

### Reminders:

#### Report Cards

Don't forget to sign your child's report card and return to school!

#### 100th Day of School

Our 100th day of school will be on February 2nd (if we have no canceled days of school). Watch for more information about our special day.

#### Memory Work

Now that it is the second semester of school, the Kindergarten will have a weekly Bible verse to memorize at home and say at school every Monday. This Bible verse is found on the homework sheet. If you have any questions, please let me know.

#### Wave Game

If you have not done so, please pay Mrs. Ernst or myself \$5.00 for the Milwaukee Wave game. That money is due by February 15th. Thank you!

## Skills to Work on at Home!

### Math:

- Counting to 100
- Estimating
- Three-dimensional figures (cube)
- Copying shapes, line segments, and designs on a Geoboard
- I identify and count dimes
- Trade in pennies for a dime
- Equal parts

### Language Arts:

- I identify the letter Ee and the /e/ sound and properly form the letter.
- Blend sounds to decode words
- Read memory words: "is", "a", and "I" along with all of our Superkid's names.
- Draw conclusions
- Distinguish between fantasy and reality
- Visualize
